

ABOUT US

Rockademy is a community for creative people. Featuring state of the art facilities and modern curriculum taught by real performing artists. It is Asia's Premier Music Academy.

OUR SUCCESS

Rockademy gives musicians unprecedented opportunities

- ◆ Our students perform some of the best festivals such as Big Mountain and Wonderfruit
- ◆ We distribute artists worldwide through our partnership with Warner Music
- ◆ We are gateway agent for the international music experience
- ◆ Rockademy students win international competitions & showcases

OUR TEAM

Our instructors are experts at playing their instruments, developing bands, songwriting and music production. They are not only instructors but performing musicians and creatives, key figures in their respective music scenes, handpicked for their ability.

OUR FACILITIES

Housed in the beautiful A Square, (Between Sukhumvit 24 & 26) Rockademy is Bangkok's leading music community and live event space.

COURSES

Rockademy 101

Learn from real performing musicians from some of Thailand's best up-and-coming, independent artists. What other school in Asia allows people to mix with, and learn from, emerging music idols?

Rockademy Live!

Bands are where the real magic happens! Work in a team with this fun and inspiring band lessons, run by our highly creative instructors.

Rockademy Artist Development

Our experienced professionals take students through every step of real music production; from songwriting, recording, videography, digital promotion and release
